

# Why is SNAP important to Imperial County?

SNAP, known as CalFresh in California, is our nation's first line of defense against hunger. With the other federal programs including the National School Breakfast and Lunch programs, TEFAP, WIC and others, the nutrition safety net reduces hunger and poverty, improves health and learning, increases productivity, creates jobs, and invests in the future of our communities.

1 in 8 Californians suffers from hunger.<sup>1</sup> 23 percent of California children live in food insecure households.<sup>2</sup>

**We ask every California Member of Congress to protect and strengthen the federal nutrition programs. Every Californian should have access to the food they need to live healthy and productive lives.**

## SNAP benefits

- SNAP brought 65,560,000 in 100% federally funded benefits to Imperial County last year.<sup>3</sup>
- As those benefits circulate in the County, they created approximately \$117 million in total economic activity.<sup>4</sup>
- These benefits support some 650 jobs in Imperial County by providing markets for farmers and customers for retailers.<sup>4</sup>

## SNAP participation

- SNAP benefits go to 42,500 people in Imperial – more than 1 in 5 of everyone who lives in the County.<sup>3</sup>
- 59 percent of all Imperial SNAP recipients are children, and 8 percent are seniors.<sup>5</sup>

## Lost dollars

- In 2016, SNAP reached 91% of everyone eligible in Imperial County.<sup>5</sup>
- If SNAP reached 100% of those eligible, Imperial County would annually see an additional \$7 million in benefits, and \$12 million in total economic activity.<sup>6</sup>
- Nationwide, federal nutrition programs provide 19 of every 20 emergency meals – private charity could never address the need for food.
