FULL TIME, REGULAR, EXEMPT

Salary of \$60 - 66k, DOE

Are you an operations leader looking for an opportunity where your talent can make a meaningful difference for people every day? Join Second Harvest's outstanding management team and leverage your warehousing, logistics, and leadership expertise to make a profound impact on community hunger and malnutrition. The ideal candidate will be passionate about our mission, driven, and ready to play a strategic leadership role.

If these statements describe you, this may be the opportunity you've been looking for:

- You enjoy being part of and building high-performing teams.
- You thrive on creating and implementing new processes and initiatives.
- You relish rolling up your sleeves and “doing” just as much as delegating.
- You embrace working closely with a fantastic team of volunteers, staff and board members.
