The fruit of the day is persimmons!
Here is a persimmon recipe you can use at home.
As it says on your recipe card, persimmons may help support your immune system, vision, and digestion.
Who has eaten persimmons before?

If you have more time

- The fruit of the day is persimmons!
- Here is a persimmon recipe you can use at home.
- As it says on your recipe card, persimmons may help support your immune system, vision, and digestion.
- Who has eaten persimmons before?

Answer “yes” or “no”

- As you may know, persimmons are part of a healthy diet.
- One way to create a balanced diet is by using MyPlate.
- MyPlate has 5 food groups: vegetables, fruit, protein, grains, and dairy.
- It is important to make half of your plate fruits and vegetables.

Let’s build a balanced meal!
Work together to create a balanced meal you and your family like, or want to try! Make sure to include persimmons, and put all the parts of your meal in their correct food group.

Work together to build a balanced meal and talk with each other about favorite ways to eat persimmons.
