

Changes to CalFresh during the federal government shutdown

- For most CalFresh participants, February benefits will be issued early, between January 16-20.
- If you receive CalFresh and have a report due in January, please complete that ASAP. If you are still eligible, your benefits will be issued February 1-10.
- There are no changes for people applying or reapplying for CalFresh at this time.
- We do not know about March benefits at this time. We will share updates as soon as we can.
