

Job Posting:
Farm to Family Transportation Administrator

Join us in creating a California where every person has the nourishment they need to thrive. We are proud to amplify the voice of food banks and of hungry Californians in the corridors of our statehouse and country's Capitol, in the offices of foundations and corporations, on farms and in fields, and throughout our state. We do this to influence public policy to enhance the safety net, ensure that fresh produce and healthy proteins are accessible to all Californians, connect hungry residents with nutrition programs, and support our 41-member food banks in their work to feed our communities.

Our Farm to Family program delivers more than 160 million pounds of fresh fruits and vegetables annually to food banks throughout the state — nourishing our communities and reducing food waste. The program also secures and delivers shelf-stable foods like beans, soups, cereals, and grains, as well as proteins like eggs and meat. Farm to Family plays an essential role in California's food safety net and the food waste diversion chain.
